BES Solution Fund

Peer-learning

# The BES Solution Fund: Tangible

**Provide catalytic funding support of approximately US\$350,000 to 18 countries between 2021 and 2028 for utilization in 2+ years**

**Support and complement countries' efforts in the uptake of the key messages emerging from the IPBES assessments and national ecosystem assessments, in line with national priorities and needs**

**Have allocated funds to eight countries, including the Tranche I countries**

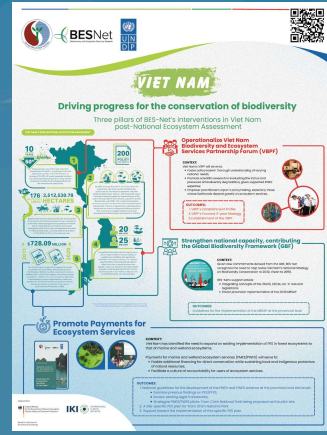

# The BES Solution Fund: Scalable, Innovative & Coordinated

- ✓ **Priorities, windows of opportunities, gaps**
- ✓ **Ongoing initiatives, available resources**
- ✓ **Emerging issues, anticipated risks**

**Continued Tripartite Stakeholder  
Engagement and Consultation**

# NEAs contributing to the sailing journey
