Submitting outputs to UNEP-WCMC

All outputs should be sent to UNEP-WCMC using the email address assessment@unep-wcmc.org (copying your country focal point at the NEA Initiative team) so that we can advise the funder that they have been submitted. Outputs will not be approved by UNEP-WCMC but by your own internal processes established for your assessment. However, we reserve the right to come back to you, if we feel the logos have been used inappropriately.

If you have other outputs on which you would like to use the logos, please do contact us directly at assessment@unep-wcmc.org.
